Questions from the committee:

- Do we know if the DWG's (OMNI & COVID) will be extended/modified for another year? What will be included in the extension/modification?
- We heard a few months ago that there would be a new DW eligibility policy but have not seen a draft for review/comment yet.
 - Do we know where DEED is in this process?
 - Will there be any other policy changes coming up for review/comment?
 - When these (or any) policies are posted for review/comment could DEED send out an email to let us know, as opposed to waiting for the Partner Express newsletter or the next JSS meeting to make an announcement?
- Is it possible to get a state license for The Work Number to verify employment status of clients? This would help for performance outcome information.
- Can DEED update the website with the most recent forms: modification request, incumbent worker information for businesses?

1:40 PM **Employment Services & CareerForceMN.com – Art Larsen and Lena Balk**

Questions from the committee:

- Does the CareerForce team at DEED work on blocking senders that are filtered in the spam folder or do local providers need to do that part?
