### Speaker suggestions for future meetings:

- Afghan evacuee specialist positions have been hired at the City of Minneapolis and at DEED (potentially other cities/counties in Minnesota also). Could feature a presentation around working with employers to support and hire this new community.
- [Great Scott County website](#) – specifically a promotional site for Scott County. The site has its own job bank and multiple ways to search for open jobs.
- [The Center for Rural Policy and Development housing research report](#), and other research
- Cooperative ownership models for businesses: how does it benefit the business and improve retention? Recommended Margaret Lund, an independent consultant that provides technical assistance to businesses and organization focusing on community development finance and shared ownership strategies.
- Discuss the questions, “How do we better align economic development and workforce development? Are there alignment goals we can propose? Is there a unified vision that both sides can agree on?” See the [Federal Reserve Bank of Cleveland’s 2019 report](#).

**Next meeting: July 14, 2022**
