# What is DOL doing?

---

## What is DOL doing?

### **TEGL 23-19, Change 1: Data Validation**

- Self-attestation allowed for many data elements.

### **TEGL 09-22: WIOA Youth Guidance**

- Devices and broadband service are allowable costs.
  - Supportive services are an allowable work experience expenditure.
  - Food may be provided to eligible youth participants when it will assist or enable the participant to take part in allowable youth program activities.
-

## **TEGL 07-22: Increasing Employer and Workforce System Customer Access to Good Jobs**

- Defines the key attributes of Good Jobs.
  - Ensure access to supportive services.
  - Use data to assess where you are and where you want to be.
-

## **TEGL 21-22: Increasing Equitable Service Access and Employment Outcomes for All Jobseekers in WIOA Adult and Dislocated Worker Programs**

- Use a mix of training approaches to meet local employer and participant needs.
    - ITA, OJT, contracts, IWT, customized training.
  - Invest in supportive services and partner to fill in gaps.
  - Embed nondiscrimination training in staff onboarding.
-

---

## WIOA State Plan

- July 1, 2024, through June 30, 2028.
- A joint TEGGL with Dept. of Ed expected September/October.

## WIOA Reauthorization

- Local and state concerns and priorities should be discussed directly with Congressional staff, not coordinated with USDOL.
-
