ADDITIONAL COMMENTS:

Per Teresa Theis, we were asked to put in a note that we are not reporting co-enrollments in our annual submission. We shared with her that we intend to start reporting these in our first quarter submission in November, even though it is our understanding that there is no regulation requiring them yet.

¹Applies to Title I only.

²This indicator also includes those who entered into a training or education program for the Youth program.

³Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.
