

As of October 1, 2024, we have some new contracted providers and some providers who are no longer providing services:

- Central Lakes College- Brainerd
- Karen Organization of MN (KOM)- Roseville
- Wildflyer Coffee-Minneapolis

### **No Longer Providing SNAP E&T Services**

- Goodwill
- Project for Pride in Living
- Normandale College
- St. Cloud Technical and Community College
- International Institute of Minnesota
- Community Action Center of Northfield
- Ramsey County

We had our SNAP E&T Annual Meeting last week and had attendance from counties, DEED and DCYF contracted providers. Topics covered included SNAP E&T basics, overview of the three-year DATA Grant project, SNAP policy, and priorities for SNAP E&T for FFY25.

As of October 1, there is a new required field in WF1 and we had a number of questions on this at our Annual Meeting. It is related to the federal Screening and Referral requirements. A referral date is now required to be entered by eligibility workers in MAXIS and that date must be entered into WF1 to open a SNAP E&T program sequence.

The following images were shared at the meeting and may be a helpful reference:
