1	Ways that the various partner programs have collaborated, processes and/or resources that can be used in other programs.	12/20/2024 2:46 PM
2	Focusing each meeting on a specific program, so staff who work on that program can be sure to attend and then skip meetings that don't apply to them. Or how do other areas interpret this particular DEED policy? etc.	12/19/2024 12:14 PM

1	Critical updates from DEED staff - JSS shouldn't be the place where those are communicated, because not everyone attends. Also less DEED presentations about multiple programs and instead more peer sharing and opportunity to ask technical/in-the-weeds questions	12/19/2024 12:14 PM
2	I think it has been good. The DHS stuff doesn't apply to me but I do know it does for most of the group,.	12/19/2024 11:05 AM

Q6 Do you have any other suggestions or feedback you would like to share?

Answered: 2 Skipped: 6

1	I would like to see JSS as a forum for ongoing training/professional development for job counselors and lead program staff, and a forum for peer sharing so folks can learn how things are done in other local areas. Also a place to ask TA questions and get them answered.	12/19/2024 12:14 PM
2	I think there is good value in these meetings. Some have stated that most of the info is in the partner express but what if people do better hearing vs. reading, I just prefer to hear it come from the program staff's mouth rather than reading it.	12/19/2024 11:05 AM
