# Adult Career Pathways Programs

## Adult Career Pathways Grantee Onboarding

Thank you to all that were able to attend our in-person onboarding sessions! In collaboration with Employment & Training program's Fiscal and Monitoring teams, the ACP Team was able to provide valuable information to our SFY26-27 partnering organizations. We have one more session on Friday February 27<sup>th</sup> which will be held virtually. We do require at least one representative from each organization to attend at least one of the sessions. If you have any last minute registration needs, please contact Jenilee Drilling [Jenilee.drilling@state.mn.us](mailto:Jenilee.drilling@state.mn.us) to get the Webex information.

## ACP Provider Map

The Adult Career Pathways (ACP) team is in the process of updating its comprehensive provider map featuring organizations funded by DEED's Office of Adult Career Pathways. This tool will be made public and available to encourage referrals to your organization's training. Each organization should complete **one survey**, including only the programs funded by ACP for SFY 2026/2027. Participation is encouraged, but optional. If you have not done so already, **please submit the survey no later than Thursday, March 5th**.

## SFY24-25 Grants

Any ACP grants that ended 12/31/2025 must have enrolled participants appropriately exited from Workforce One within 45 days from the expiration of the grant contract.

In addition, if you have not yet submitted the FINAL RPR for any grants that ended **December 31, 2025 (or earlier)**, please do so as soon as possible.

All **FINAL RPR/FSRs** are due by the **20th of the month following the month in which costs were incurred**.

## Adult Career Pathways Guides

The team is working on updating the [ACP website](#) content for the SFY26-27 programs. We anticipate it being completed by April 1<sup>st</sup>.

We encourage you to reach out to your Coordinator, or myself, if you have questions or suggestions about what is on the website or in the guides.
