

Adult Education Update for MN Association of Workforce Boards (MAWB) Job Seeker Services Committee

Adult Education is Title II of the Workforce Innovation and Opportunity Act (WIOA)

Ability-to-Benefit (AtB)

Minnesota has a federally approved state plan that allows learners, who do not have a high school diploma or equivalency, the opportunity to enroll in college training. They work on their high school diploma with an ABE program while taking college coursework. Please contact Julie Dincau at julie.dincau@state.mn.us or Larry Handlin at larry.handlin@minnstate.edu.

Re-Credentialing Pathways (RCPs)

Adult Education is working with the Office of New Americans to identify and refer adult learners to selected CareerForce counselors. These individuals are Internationally Trained Professionals seeking work in their career field.
