# Adult Career Pathways Programs

## ACP Team Updates

The [ACP Provider Map](#) is live on the ACP webpage! The ACP Provider Map shows ACP training providers and corresponding training programs currently funded through ACP. You can search by service type, credential, industry sector, or service area. The search results will display matching providers, services, and contact information. We hope the ACP Provider Map will serve as a helpful tool for you and your participants!

As your agency's ACP contracts are being implemented, please watch out for communication from your coordinator as they begin to schedule the 30, 60, 90-day check-in meetings. This is your one-on-one time with your coordinator to ask questions, clarify requirements, and develop an activity map to clarify performance metrics and how you will appropriately track those in Workforce One.

## Grants Ending June 30, 2026

The final RPR/FSR for contracts ending June 30, 2026, is due no later than July 20, 2026. Revised or supplemental RPR/FSRs will not be accepted after this deadline, so please ensure all contract expenses are submitted by that date. Funds associated with these contracts will not be available beyond July 20, 2026.

## Adult Career Pathways Guides

The team is working on updating the [ACP website](#) content to include the Onboarding webinar and presentation for the SFY26-27 programs. We anticipate it being completed by April 1<sup>st</sup>.

We encourage you to reach out to your Coordinator, or myself, if you have questions or suggestions about what is on the website or in the guides.

## Success Stories

We'd love to learn about the amazing work you're doing and how it is positively impacting the lives of participants throughout the State of Minnesota! To submit a success story, please fill out this brief [ACP Success Stories Form](#).
